Dear Parent/guardians,

I hope you are all well and keeping safe.

As we continue to stay at home, I just wanted to make you aware of some online resources available to you, if you have a child who usually has access to support teaching. This link will take you to resources available for both primary and post primary students:

Please let your own family situation dictate how much or how little work your children gets done. We know that some families have several children, limited devices, poor broadband etc

These are uncharted waters for all of us. It is important that our number one priority is to stay safe.

Kind regards,

Sinead Clerkin ,SEN Coordinator
